

# Pas de Deux Start Times

**Hi everyone,**

**The forecast is calling for very light winds. If it's clear that the race will need to be cancelled before we head out on the water, a notice will be sent by 10:00 AM to help save some of you a long trip.**

**In the event of a cancellation, we'll look into rescheduling the race for next Saturday. If that happens, I'll update the event page on the website accordingly. All current registrations will carry over to the new date (though there's no obligation to participate), and registration will reopen for anyone new who'd like to join.**
